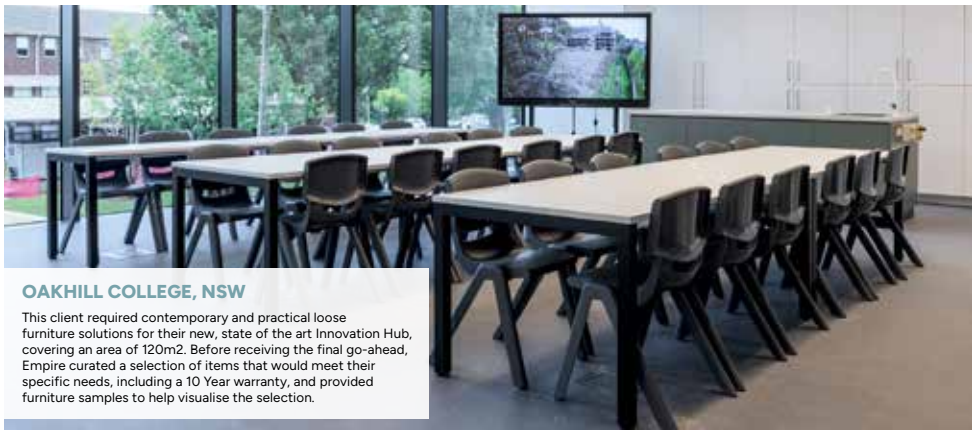
Recent Schools Fitouts



OAKHILL COLLEGE, NSW

This client required contemporary and practical loose furniture solutions for their new, state of the art Innovation Hub, covering an area of 120m2. Before receiving the final go-ahead, Empire curated a selection of items that would meet their specific needs, including a 10 Year warranty, and provided furniture samples to help visualise the selection.

NARANGBA VALLEY STATE SCHOOL, QLD

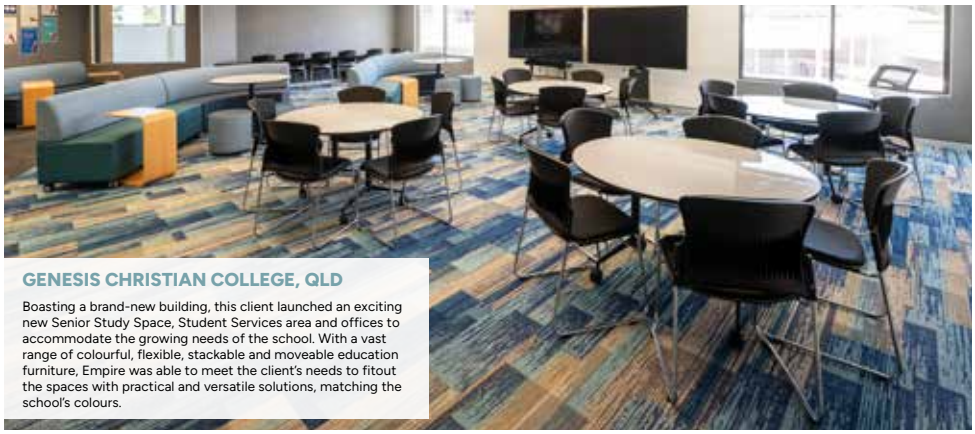
Managing many student groups in one location is no easy feat. This client opted to colour code particular areas of their Senior Learning Hub to more easily manage and designate groups. They also opted for a combination of static and flexible, moveable furniture to get the best of both worlds.

PARRAMATTA WEST STATE SCHOOL, NSW

Custom soft-seating featuring a range of specified fabrics, a combination of standard and custom student seating and desking across learning spaces, a hall and staff breakout areas culminate in functional, colourful and collaborative spaces.

ST. GREGORY'S JUNIOR SCHOOL, NSW

The bright pops of colour help to make the space warm and inviting, while the flexible and height-adjustable desking makes it easy for teachers and students to build a space that works for them when they need it most. Functional boardroom and staff breakout areas complete the fitout.



GENESIS CHRISTIAN COLLEGE, QLD

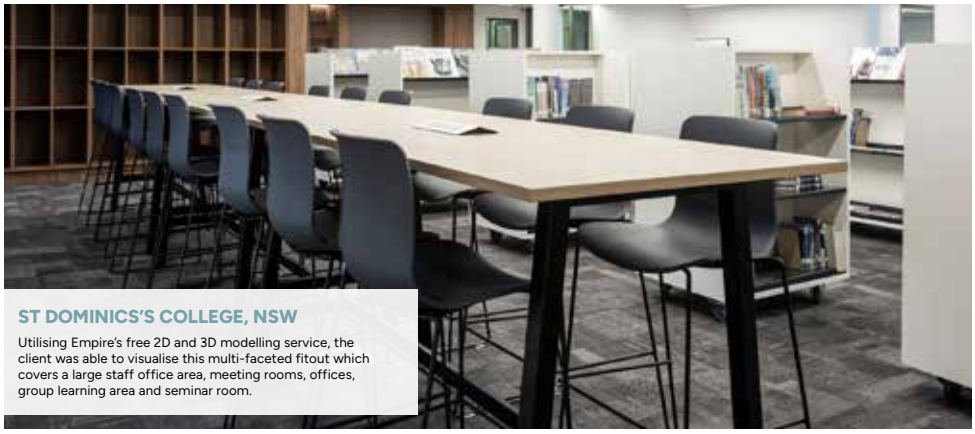
Boasting a brand-new building, this client launched an exciting new Senior Study Space, Student Services area and offices to accommodate the growing needs of the school. With a vast range of colourful, flexible, stackable and moveable education furniture, Empire was able to meet the client's needs to fitout the spaces with practical and versatile solutions, matching the school's colours.

TAIGUM STATE SCHOOL, QLD

A multi-faceted fitout for this client's brand new building included 6 classrooms, an outdoor learning area, multiple offices, a meeting room, staffroom and staff meeting area. For a completely unique solution, the School's custom Indigenous artwork was brought to life with some of the visitor and lounge furniture donning the beautifully symbolic artwork.

NEWMAN CATHOLIC COLLEGE, QLD

Fitting out a purpose-built school demands a unique approach and precise planning to meet the students' changing needs through different ages and task orientations. We worked closely with the client from the start, offering 3D modelling of the spaces to simulate how the furniture would fit within.



ST DOMINICS'S COLLEGE, NSW

Utilising Empire's free 2D and 3D modelling service, the client was able to visualise this multi-faceted fitout which covers a large staff office area, meeting rooms, offices, group learning area and seminar room.

Plato Student Chair

Grade	Seat Height (mm)	Code	Suits Desk Height (mm)	Price
Prep-1	335	PLCH335	550-600	**$54**
Prep-3	355	PLCH355	600-650	**$56**
4-6	400	PLCH400	625-725	**$62**
6-12	460	PLCH460/L	725-750	**$64**

- Also available in smaller heights 240/260/280/300mm

The Plato is versatile
- Lightweight, high-impact, easy-clean, one-piece polypropylene design resists twisting and distortion
- No screws or joins ensures greater strength and durability
- Secure stacking 10 high – compatible stacking with many other brands

Ergonomic design offers exceptional comfort
- A broad back rest and sloped front section provides excellent lumbar support and comfort in all working positions
- Waterfall front edge to reduce pressure behind the knees
- Ventilation aperture facilitates movement of air
- Back leg angle discourages backward rocking

Tested to AS/NZS 4610.2 Education Chairs
180kg Static Load Test
200,000 Seat/Back Fatigue Test

PLATO LINK
(PLCH460L)

The ever popular Plato chair (460mm) is now also available with easy linking feature ideal for school halls, assembly areas, canteens etc.
- Also available chair trolley for easy move and reset (TROLLEY01) **$POA**

ADVANCED FURNITURE TESTING

The New Benchmark in Certification

Who is Advanced Furniture Testing?

Advanced Furniture Testing is an accredited independent laboratory which tests education furniture to specific Australian and international furniture standards.

Advanced Furniture Testing is accredited by the National Association of Testing Authorities (NATA). It is the most technologically advanced furniture testing laboratory in the Southern Hemisphere.

Empire has Australia's largest selection of tested & certified education furniture.

EDCO Chairs - Flexible ways to Learn!

EDCO CANTILEVER CHAIR AND STOOL

Modern ergonomically designed cantilever chairs absorb the bounce of active children, so teachers don't have to. The robust seat surface is easy to clean and resists scratches. The C-frame makes raising the chairs on desks and tables quick and safe.
Glides provide stability and protect floors from abrasion.

A convenient grip hole in the seatback makes carrying this lightweight chair effortless.

Acer Table Range

Many table settings are not adaptable to changing demands and educators are forced to work around their furniture's limitations.

It was this design flaw which inspired the innovation of our Acer Table Range. Facilitating vast permutations of table configurations in both individual and group-use contexts, our Acer Tables are perfect to liven up and improve the functionality of your space. The range includes fixed, mobile, height-adjustable and flipping frame systems, and modular top shapes that can evolve to include multiple users on demand.

The strength and flexible nature of our frame systems have enabled us to produce highly unique tables, to the extent that if you have a custom table shape in mind, we are confident our frame systems can bring your idea to life!

Check out the quality of our Acer Tables!
They're flexible and strong, perfect for sustained use in any interior environment!

Push-Pin Height Adjustable

With high-strength 1.6mm gauge steel and a high tensile push-pin system, our legs allow 5 different table height options, without sacrificing product stability or integrity. The Acer leg has a 60mm diameter (far superior to similar products at 40mm) ensuring no movement or rattle.

Mobile Lockable Wheels

Standard with mobile, height adjustable and flipping frames, our mobile castors make reconfiguration a breeze - once you've found the perfect spot, simply lock the castors and you're set!

Optional Glides

Glides can be interchanged with castors. All height adjustable tables are available with four glides or as a combination of two glides and two castors.

Top Quality Laminates and ABS Edging

Our table tops come standard with quality laminate finishes and high-impact ABS edging, to ensure that your top withstands your day-to-day activities, with little sign of wear.

NOISE REDUCING ACOUSTIC WALL PANELLING

Sugarbag Dreaming 'Saltbush' by Rosie Ngwarraye Ross

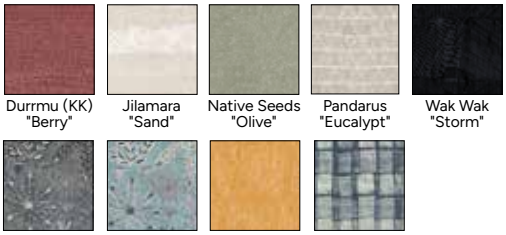
Autex Acoustics® WILLIE WESTON

Uniting contemporary First Nations design and acoustic functionality, the Autex Acoustics® x Willie Weston collection has been curated for education, government and commercial spaces.

Locally manufactured on Cube™ and Quietspace® Panel, the range is comprised of eight designs in 21 colourways and is entirely carbon neutral.

The specification of each design contributes to fair and equitable income for each artist via Willie Weston, a profit-for-purpose business working in partnership with First Nations artists to support the integration of contemporary First Nations design into the built environment.

THE COLLECTION



Durrmu (KK) "Berry" | Jilamara "Sand" | Native Seeds "Olive" | Pandarus "Eucalypt" | Wak Wak "Storm"

Sugarbag Dreaming "Ghost Gum" | Sugarbag Dreaming "Saltbush" | Syaw (Fish Net) "Woolybutt" | Water Levels "Marine"

Features:
- Carbon neutral
- Available in 6mm, 12mm, 24mm, and 25mm thicknesses
- Available in 2400mm, 2700mm, and 3000mm lengths

PLEASE CONTACT US FOR A CUSTOM QUOTE

- NRC 0.45 - 0.85
- Group 1 fire rating
- Safe, water-based, UV cured ink
- Locally manufactured in Australia

EDU PLASTIC SCHOOL LOCKERS FSPxx

FOLLOW 3 EASY STEPS TO ORDER:
Step 1: Choose depth, width and height
Step 2: Choose number of doors (1-9)
Step 3: Choose colour of body and doors (25 colours)

EDU Plastic Lockers (Aus. Pat No. 2011903047) have unique advantages over lockers made from traditional materials such as wood, laminate and metal.

- UV stable with a huge range of anti-fade colours to choose from
- Lightweight & stackable so they are easy to move and install
- The lockers are made of Heavy Duty Polyethylene with a high-grade stainless steel hinge - so they are perfect for wet areas, coastal locations and the outdoors
- Quieter than metal or timber lockers, no banging doors
- Graffiti is easier to remove - no painting required
- Easy to clean and lowest maintenance, just hose them out!
- Proven strength and durability - backed by a 15 year warranty
- Options: Sloping top, kick base, number plates, hanging rails/hooks & USB cable

15 YEAR WARRANTY

PHONE LOCKERS FSPPHONE

Optional USB wiring kit for Phone Lockers include 4 ports and wires. FSPPHONEKIT

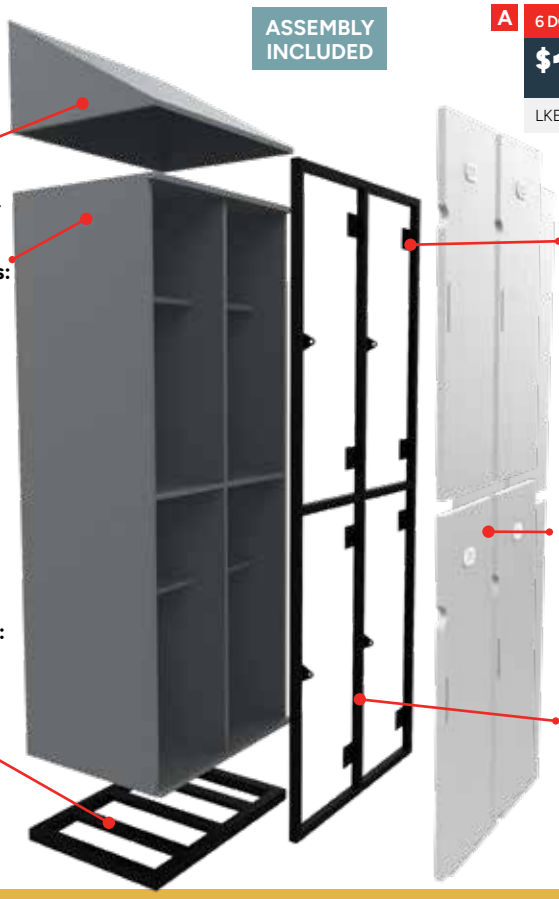
ASSEMBLY INCLUDED

A 6 DOOR **$1799** LKEDH203

B 4 DOOR **$429*** SAVE $460 LKED202

HALF PRICE



Optional sloping top: Great for keeping the tops of your lockers tidy.

Fully Laminated Carcass: All lockers come standard with sealed, laminated board for optimal hygiene, health and safety.

Many configurations:
1, 2 or 3 bay
1, 2 or 3 door
3 heights: 1830, 1270 or 970mm

Moisture-resistant base: Each locker carcass is elevated with a 40mm high base plinth to protect from any moisture or dirt from the floor.

Heavy-duty hinges: Each door is locked to the carcass with heavy-duty hinges and tamper-proof rivets, built to withstand 24/7 use. These hinges also facilitate economical door replacement in the event of vandalism.

Fully ABS edged doors: Doors are completely sealed for health and safety. *Doors can be routered to include locker numbering as an add-on option.

7-year warranty and reinforced frame: Steel locker frames are over-engineered to ensure long-term use, and absorb day-to-day knocks.

*While Stocks Last
