VOLUME 36

mixx

'n'match

Australia's most versatile range
of high quality, break-out, visitor seating.

A modern, dark blue chair with light-colored wooden legs is positioned in the foreground. Behind it, a lush green plant in a white pot sits on a surface. The background is a bright, minimalist interior with light-colored walls and a window frame.

UNLEASH YOUR CREATIVITY

By you, for you. Customise to reflect your personality or project. Get creative with thousands of possible variations.

UNIQUE
VERSATILE
FUN

With multiple leg, shell and upholstery combinations you can customise to suit any situation. Whether it's for home, commercial, office or retail.

Bringing movement to your workplace

With the Mixx range we have continued to focus on our philosophy for seating with movement being a crucial element. The Mixx has a flexible back, allowing the user to change their seating position whilst keeping the chair stable. The complete Mixx range features 17 standard shell colours with others available for indent with MOQ's. As well as the great range of colours the Mixx range has the added feature of upholstered seat pads and fully upholstered shells, we can do custom upholstery and custom powder coat for projects, just contact us to find out details

Mixx is a truly versatile range of seating for any visitor, guest or waiting area; libraries, training and seminar rooms; meeting and breakout areas; as well as restaurants, cafes or anywhere a comfortable, bright and practical chair is required.
