# Astrid Desking

A fresh angle on office furniture

# Timeless design meets peak performance

Office desks have taken a stride forward, combining striking designs with incredible durability.

A modern nod to both mid-century and Scandinavian design, the range boasts angled legs and sleek lines with instant appeal for employees and clients.

Made from super-strong aluminium, a wide range of finish options sets the tone: from minimalist black and white to natural timber-look.

# Stratton Workstations

The ideal choice for today's workplace.

# Introducing the Stratton Selection

A collection of desk systems that deliver the ultimate in choice, versatility, and affordable style to the modern workplace.

# The Stratton Selection

The much-loved look of the Stratton Electric desk is now available in a selection of workstation options.

Known as the Stratton Selection, the range is the new and easy way to create a truly flexible and agile workspace with the confidence of Stratton quality that customers have come to expect.

## Workstations that work

The Stratton Selection makes it easy to create dynamic offices that work better for individuals and groups and for different roles and functions, but offer the look and feel of one team and workplace.

Inspire movement, support sitting and standing, with height-adjustment options to avoid pain, strain and 'brain fog'.

Cater for flexible work teams, increased mobility and 'hot-desking'.

Set up different work areas for diverse departments.

Encourage easier interaction, collaboration and innovation.

## Stratton is something special

With a number of desk types in matching styles, you can mix and match for a professional, coordinated look that caters to individual work styles and needs.

All desk types come in a range of configurations, white or black powdercoat, and with clever features you'll love.

Every workstation mixes modern slimline style with incredible durability and reliability. Backed by comprehensive warranties, they're built to stand up to constant use – day in, day out.

Incredibly cost-effective, there's something to suit every office and every budget.
