The Empire Process

Consultation

We listen carefully to understand the vision for your spaces

Design

We work alongside your team to ensure solutions are as per your vision

Visualisation

We work with our design team who will create 2D & 3D renders to enable you to visualise your spaces

Implementation

Our team supports you in every aspect of the journey from planning, production, delivery, placement and removal of rubbish

After Sales Service

This is not the end of our journey with you – we are only a phone call away, with a dedicated account manager appointed to your school

Index

An "A" Standard

Our education clients enjoy

- An exceptional range of researched, tested and certified products (backed by warranties)

- Fresh solutions to suit modern learning styles and teaching needs

- Premium service and unwavering commitment

- Smooth, seamless and swift processes

- Genuine value and real savings

- Ready product availability and fast turnaround

- We are thrilled to be one of the Preferred Suppliers for Office, Education and Health Furniture, Whole of Government - DET QLD SOA 68449. Empire is a prequalified supplier for the NSW Government, under the Office Furniture Scheme (SCM0771) including the Flexible Learning Furniture (FLF) category

ADVANCED
FURNITURE TESTING

The New Benchmark in Certification

Who is Advanced Furniture Testing?

Advanced Furniture Testing is an accredited independent laboratory which tests commercial and education furniture to specific Australian and international furniture standards.

In its mechanical testing laboratory, Advanced Furniture Testing conducts tests using specialised technical apparatus which simulate real-life use and foreseeable misuse for many types of furniture.

Advanced Furniture Testing is accredited by the National Association of Testing Authorities (NATA). It is authorised to test and certify furniture to 14 international furniture standards and is regularly audited by NATA to ensure a high level of technical competence and integrity.

Certification = Reduced Risk = Peace of Mind

The most technologically advanced furniture testing laboratory in the Southern Hemisphere.

Empire has Australia's largest selection of tested & certified education furniture.

Focus on the future

Learning needs to prepare students with skills and capabilities to thrive in a rapidly changing and interconnected world by connecting and engaging their sense of curiosity.

Future-focused environments inspire students to be leaders of their own learning. Students collaborate and use critical and creative thinking to solve complex problems and become mindful global citizens.

Future-focused teachers are flexible and select from a range of effective teaching strategies.

The modes for future learning highlight different ways in which learning occurs. Each mode requires students and teachers to be interacting differently with space and each other.

Change the learning landscape

With a place for:

Collaboration
Feedback & reflection
Discussion

Guidance
Demonstration
Experiential activities

Create inspired learning spaces – with ease, value and confidence

A proud industry leader for 35+ years, Empire provides high-functioning and fresh furniture and accessories for clients across business, education, healthcare and government.

Our wide range of education furniture helps shape ideal and inspiring environments to teach, learn and innovate. We've worked with thousands of educators to update and extend their facilities with simple efficiency.

Our high-quality solutions have proven their timeless appeal, with the durability to withstand the rough and tumble of school life.

A fresh, contemporary teaching approach

► Plato Student Chair

Lightweight, high-impact, easy-clean, one-piece polypropylene

One piece injection moulded for easy maintenance

Stacks 10 high

Excellent lumbar support to reduce backache with ventilation gap

Waterfall front edge designed to reduce pressure behind the knees

No sharp edges - no fixings

Correct trunk to thigh angle for improved comfort

Angled back legs discourage rocking

Scalloped leg for secure stacking

▸ Acer Table Range

Many table settings are not adaptable to changing demands and educators are forced to work around their furniture's limitations.

It was this design flaw which inspired the innovation of our Acer Table Range. Facilitating vast permutations of table configurations in both individual and group-use contexts, our Acer Tables are perfect to liven up and improve the functionality of your space. The range includes fixed, mobile, height-adjustable and flipping frame systems, and modular top shapes that can evolve to include multiple users on demand.

The strength and flexible nature of our frame systems have enabled us to produce highly unique tables, to the extent that if you have a custom table shape in mind, we are confident our frame systems can bring your idea to life!

Check out the quality of our Acer Tables! They're flexible and strong, perfect for sustained use in any interior environment!

Push-Pin Height Adjustable

With high-strength 1.6mm gauge steel and a high tensile push-pin system, our legs allow 5 different table height options, without sacrificing product stability or integrity. The Acer leg has a 60mm diameter (far superior to similar products at 40mm) ensuring no movement or rattle.

Mobile Lockable Wheels

Standard with mobile, height adjustable and flipping frames, our mobile castors make reconfiguration a breeze - once you've found the perfect spot, simply lock the castors and you're set!

Flipping Frames for Easy Storing

Need to free up an open floor space? Simply unlock the mechanism latch, flip your table tops to an upright position, and stack them away - the ultimate space-saving option!

### Top Quality Laminates and ABS Edging

Our table tops come standard with quality laminate finishes and high-impact ABS edging, to ensure that your top withstands your day-to-day activities, with little sign of wear.

it's easier with **empire** education furniture

▶ PODZ Ottomans

Does your space require furniture that can endure use by large volumes of people, and stand the test of time? Do you want something new and funky to inspire learning, whilst complying with OH&S standards?
We've got you covered!

Usually it's hard to find affordable innovative furniture with commercial-grade construction, but it just so happens that all of our Modular Furniture Range answers to the requirements for high-demand work spaces - **in fact we believe we have the strongest modular ottomans available on the market**. Innovation and quality, we feel, is the most important criteria a furniture item should aspire to. And this is reflected in our products, whereby all of our Modular Furniture Range has been over-engineered to ensure customer comfort and satisfaction.

So just how good is our product quality? Well, just have a look at what goes on inside one of our Round Ottomans!

Heavy-duty MDF Internals

The internal construction of our ottomans consists of heavy-duty "E0" MDF panels to eliminate any chances of structural failure, for assured safety during use.

Smooth Finish

The "E0" MDF internal is reinforced around the sides, promoting a smooth consistent finish that is hard to damage.

High-grade Vinyl & Foam

All internals are encapsulated within a foam sleeve covering both the seat surface and sides. This is then complemented by vibrant commercial vinyl with reinforced double stitching.

Chrome Ball Castors

Finally, all of our Modular Ottoman products come standard with our state-of-the-art chrome castors, answering to OH&S requirements for easy relocation, whilst delivering on looks.

Australia's most innovative modular lounge system

NEW Series 2

Express your creativity

Customise your Sunrise space to reflect your imagination. The creative options are endless.

Free and flowing

The open, unrestricted design of Sunrise allows you to relax in optimum comfort.

Firm comfort

With large seats and back cushions, timber legs and a steel frame, Sunrise is both comfortable and durable.

Linear – extend at will

The modules allow you to design the ideal lounge configuration to suit your requirements.

MOTO RANGE

21st century pedagogy is driven by positive teacher/student relationships. Paramount is the focus on individual student needs within conducive and inspiring environments.

By adopting Empire's flexible furniture solutions, you don't need to build a new building to reshape your learning environment. Empire's furniture is specifically designed to ensure learners remain engaged across the all learning modes.

We create spaces to collaborate, to demonstrate, to experiment, to focus, to reflect and to communicate.

GREAT DIVIDER

Ⓐ

Great Dividers are a brand new rolling wall system for flexibly dividing space and providing effective visual and acoustic barriers. While providing excellent space division, when not being used they simply fold up and roll away in seconds into a compact and storable unit. Great Dividers are a completely modular system allowing you to add panels to create the length of divide you need, up to 7.5 metres long. For even longer configurations units can be ganged together.

- Dividers come in two heights: 1820mm high (6 foot) or 2438mm high (8 foot)
- Wall panels available in Blue fabric or a pair of dry-erase whiteboard
- Fabric panels are pinnable with a soft substrate, which also aids sound attenuation

Ⓐ **Great Divider Starter Set -** complete and ready to use or ready to be added to with add-on panels
- 3 wall panels (2 x 850mm & 1 x 820mm wide)
- 2 perpendicular end panels (700mm wide)
- End panels include locking casters for added stability

Ⓑ **Great Divider Add-on Panel**
Ⓒ
- Come in hinged pairs with each panel measuring 820mm wide
- 2 heights: 1820mm high (6 foot) or 2438mm high (8 foot)
- Optional dry-erase whiteboard features a high pressure laminate dryerase surface that provides smooth writability, easy erasability and exceptional durability

- Up to 3 pairs of Add-on panels can be joined to each Starter Set to create large-format flexible walls, up to 7.5m long
- Longer configurations units can be ganged together - please enquire

STORAGE IS VITAL.

Efficient storage is vital for two key reasons - security of personal items and creating order in shared spaces.

With every space being different, whether at work, in learning spaces or at home, storage requirements can vary significantly.

For this reason we've designed our storage range to provide flexible options for diverse spaces.

Plastic School Lockers (FSP®)

You can create your own unique locker installation in three simple steps:

1 Choose Locker Body

Select from 5 different locker "footprint" sizes - A series, B series (deepest unit), C series (widest unit), D series (narrowest unit), and the E series. All are available in 1-9 hinges.
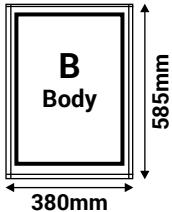

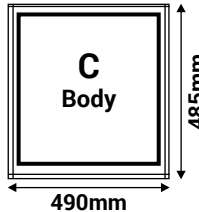

| A Series	B Series	C Series	D Series	E Series
A Body	B Body	C Body	D Body	E Body
450mm × 380mm	585mm × 380mm	485mm × 490mm	450mm × 305mm	305mm × 305mm
Suits the small door. Avail. 1-9 hinge	Same width as A but deeper body. Avail. 1-9 hinge	Wider body for wider door. Avail. 1-9 hinge	Narrowest body. Avail. 1-9 hinge	Same width as D but shallower body. Avail. 1-9 hinge
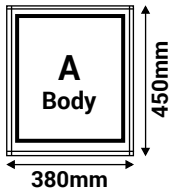

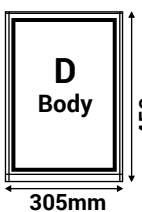

Choose Locker Height

Choose from 1 - 9 hinge heights. You can select how many separate lockers you want to have in a single body. Every locker body size comes in 1 to 9 hinge options.

2

All locker body footprint sizes available from a single hinge through to 9 hinges

3

Choose Locker Door(s):

Choose from 1 - 9 hinge heights. You can select how many separate lockers you want to have in a single body. Every locker body size comes in 1 to 9 hinge options.

Accessories

1. Sloping Top
2. USB Cable
3. Pad-Lockable L-Shaped handle
4. Combination Locks
5. Key Lock Coin retain or Coin return locks.
6. Garment Hook
7. Shelf with hanging rail.
8. Additional Shelves
9. Customisable Steel Number Plates
10. Kicker Base
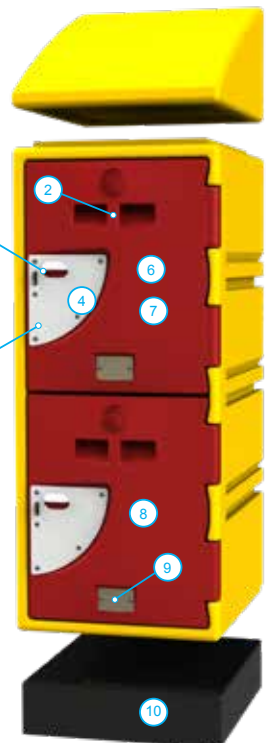

▸ Plastic School & Phone Lockers (FSP®)

FSP® Plastic Lockers (Aus. Pat No. 2011903047) have unique advantages over lockers made from traditional materials such as wood, laminate and metal, here are some:
- UV stable with a huge range of anti-fade colours to choose from
- Lightweight & stackable so they are easy to move and install
- The lockers are made of Heavy Duty Polyethylene with a high-grade stainless steel hinge - so they are perfect for wet areas, coastal locations and the outdoors
- Quieter than metal or timber lockers, no banging doors
- Graffiti is easier to remove - no painting required
- Easy to clean and lowest maintenance, just hose them out!
- Proven strength and durability
  - backed by a 15 year warranty
- Options: Sloping top, kick base, number plates, hanging rails/hooks & USB cable

HUGE colour range!

| 250mm	465mm	670mm	880mm	1090mm	1300mm	1510mm	1720mm	1930mm
1 door 1 hinge	1-2 doors 2 hinge	1-3 doors 3 hinge	1-4 doors 4 hinge	1-5 doors 5 hinge	1-6 doors 6 hinge	1-7 doors 7 hinge	1-8 doors 8 hinge	1-9 doors 9 hinge

Mobile Phone Locker
FSPPHONE

Optional USB wiring kit for FSP Phone Lockers include 4 ports and wires. FSPPHONEKIT
- 4 door vertical - 180W x 240D x 600Hmm
- UV Stable
- Lightweight and Stackable and or Mountable
- Heavy Duty Polyethylene with a high-grade stainless steel hinge
- Strong and Durable

▸ Habitat Range

1
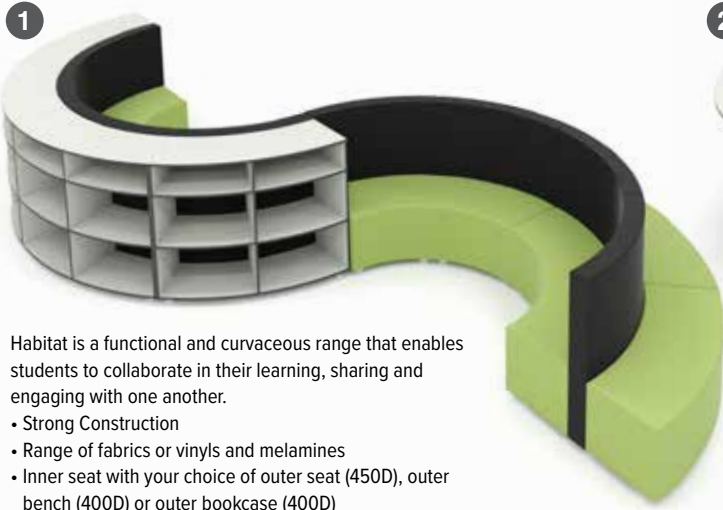

Habitat is a functional and curvaceous range that enables students to collaborate in their learning, sharing and engaging with one another.
• Strong Construction
• Range of fabrics or vinyls and melamines
• Inner seat with your choice of outer seat (450D), outer bench (400D) or outer bookcase (400D)

4 x 4 Step Harmony Choral Risers

Reverse Steps without Tools

These innovative risers have a quick reverse-step system that makes it easy to change your riser configuration from the traditional semi-circular arrangement to straight or other interesting combinations—without tools! Use this feature to build unique configurations for show-choir, or double-choir concerts.

Roll In The Risers!

SICO® Harmony Choral Risers offer quick configuration changes and are easy to transport.

- Each self-contained 3 or 4 step unit rolls into place, lower the steps with one fluid motion to the floor, lock it to the next unit, and you are ready to sing.

- Contact feet prevent sliding of risers as performers move around.

- Rear security guardrails come standard and are permanently attached to the back row of each riser.

- Transport and storage is easy for staff with no loose parts to disassemble.

Specialised School Furniture

UV**one**

Disinfects mobile devices to a 5-log kill in just 30 seconds, reducing the risk of infections. Designed for Hospitals, perfect for Education.

PCL12-10335

Reduce the Spread of Infection

99.999% Bacteria Reduction. Effective UV-C disinfects to a 5-log kill, reducing bacteria.* With touchless sensors, users never physically touch the station, reducing cross contamination.

Rapid UV-C Technology Disinfects in just 30 Seconds. UVone is specifically designed for quickness and ease of use, thus increasing hygiene compliance long term.

Touchless, Motion-Activated Door. Most infections are transmitted by physical contact, making personal hygiene a critical step toward reducing the spread of infection.

**Convenient and Visible.** UVone seamlessly integrates into any environment or workflow, such as libraries, classrooms, or any other location that is most convenient and visible for compliance.

Charge, Secure, Store Devices
