Empire EDU Lockers

Look at all these outstanding benefits ...

Our EDU lockers have unique advantages over lockers made from other materials such as timber and metal. They are designed to last and to keep looking good in all environments.

And they are easy to clean - simply hose them out.

- ▶ The lockers are made of heavy-duty polyethylene with a high-grade stainless steel hinge - so they are perfect for wet areas, coastal locations and the outdoors.
- ▶ UV stabilised with a **HUGE** range of anti-fade colours to choose from
- ▶ Lightweight and stackable so they are easy to move and install
- ▶ Quieter than metal or timber lockers, no banging doors
- ▶ **No painting required!**
- ▶ Easy to clean and lowest maintenance. Just hose them out!
- ▶ Proven strength and durability - backed by our 15 year warranty.
- ▶ **Graffiti is easier to remove**
- ▶ Smooth Corners - No more sharp edges

Build your EDU Lockers Your Way

The EDU Locker system is based on a simple modular system that allows you incredible flexibility. Choose your locker body - then your locker height - finally how many doors.

Create your own unique locker installation in three simple steps:

1

Choose EDU Locker Body

Select from 6 different locker body sizes - A series (standard), B series (deeper unit), C series (wide unit), D series (narrowest unit), E series (smallest) and New H series (widest and deepest).

Not all bodies available in 9 different heights (step 2)
